

Yandex Checkout

Paying
with a Bank Card

1. Click **'Pay'** on a site of a store or service. You will land on the **Yandex.Money** payment page.
2. Enter your bank card's number, expiration date, and CVV/CVC (3 digits from the card's reverse).

The screenshot shows the Yandex Checkout interface. At the top, it says "Yandex Checkout" and "Test Store". Below that, it indicates "Paying with a bank card". A progress bar shows the current step. The payment details are as follows:

Amount	₽1
Order number	1243_58b
Payer's ID	ivanov@domain.ru

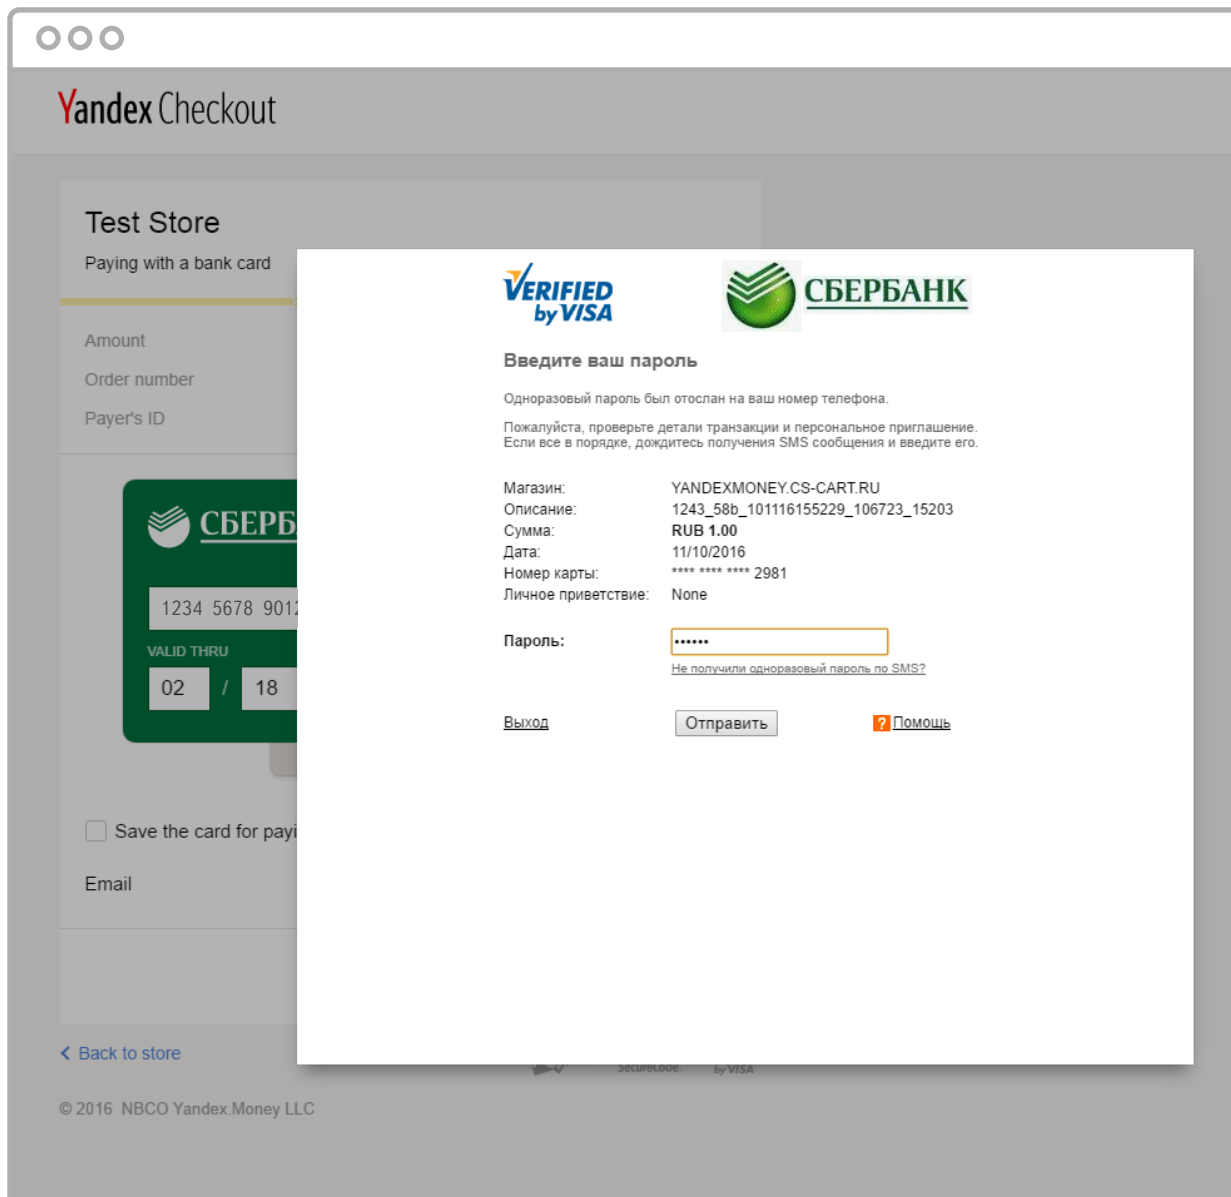

The card information section shows a green Sberbank Visa card with the number 1234 5678 9012 3456. The expiration date is 02 / 18. A field for the CVV/CVC is shown with three dots, with a note: "Three digits from the reverse side of the card".

There is a checkbox for "Save the card for paying upon this store's requests" which is currently unchecked. Below that is an email field containing "ivanov@domain.ru".

At the bottom, there is a disclaimer: "By clicking this button, you agree with [terms and conditions of the service](#)" and a yellow "Pay" button.

At the very bottom, there are links for "Back to store", logos for PCI DSS, MasterCard SecureCode, and VERIFIED by VISA, and a copyright notice: "© 2016 NBCO Yandex.Money LLC".

3. If your card is protected by 3-D Secure, you will see a pop up with your bank's page. Confirm the payment with a text message code.

The screenshot shows a Yandex Checkout interface with a modal window for 3-D Secure verification. The modal window features the logos for VERIFIED by VISA and СБЕРБАНК. The main heading is "Введите ваш пароль" (Enter your password). Below it, there is a message: "Одноразовый пароль был отслан на ваш номер телефона. Пожалуйста, проверьте детали транзакции и персональное приглашение. Если все в порядке, дождитесь получения SMS сообщения и введите его." (A one-time password was sent to your phone number. Please check the transaction details and personal invitation. If everything is in order, wait for the SMS message and enter it.)

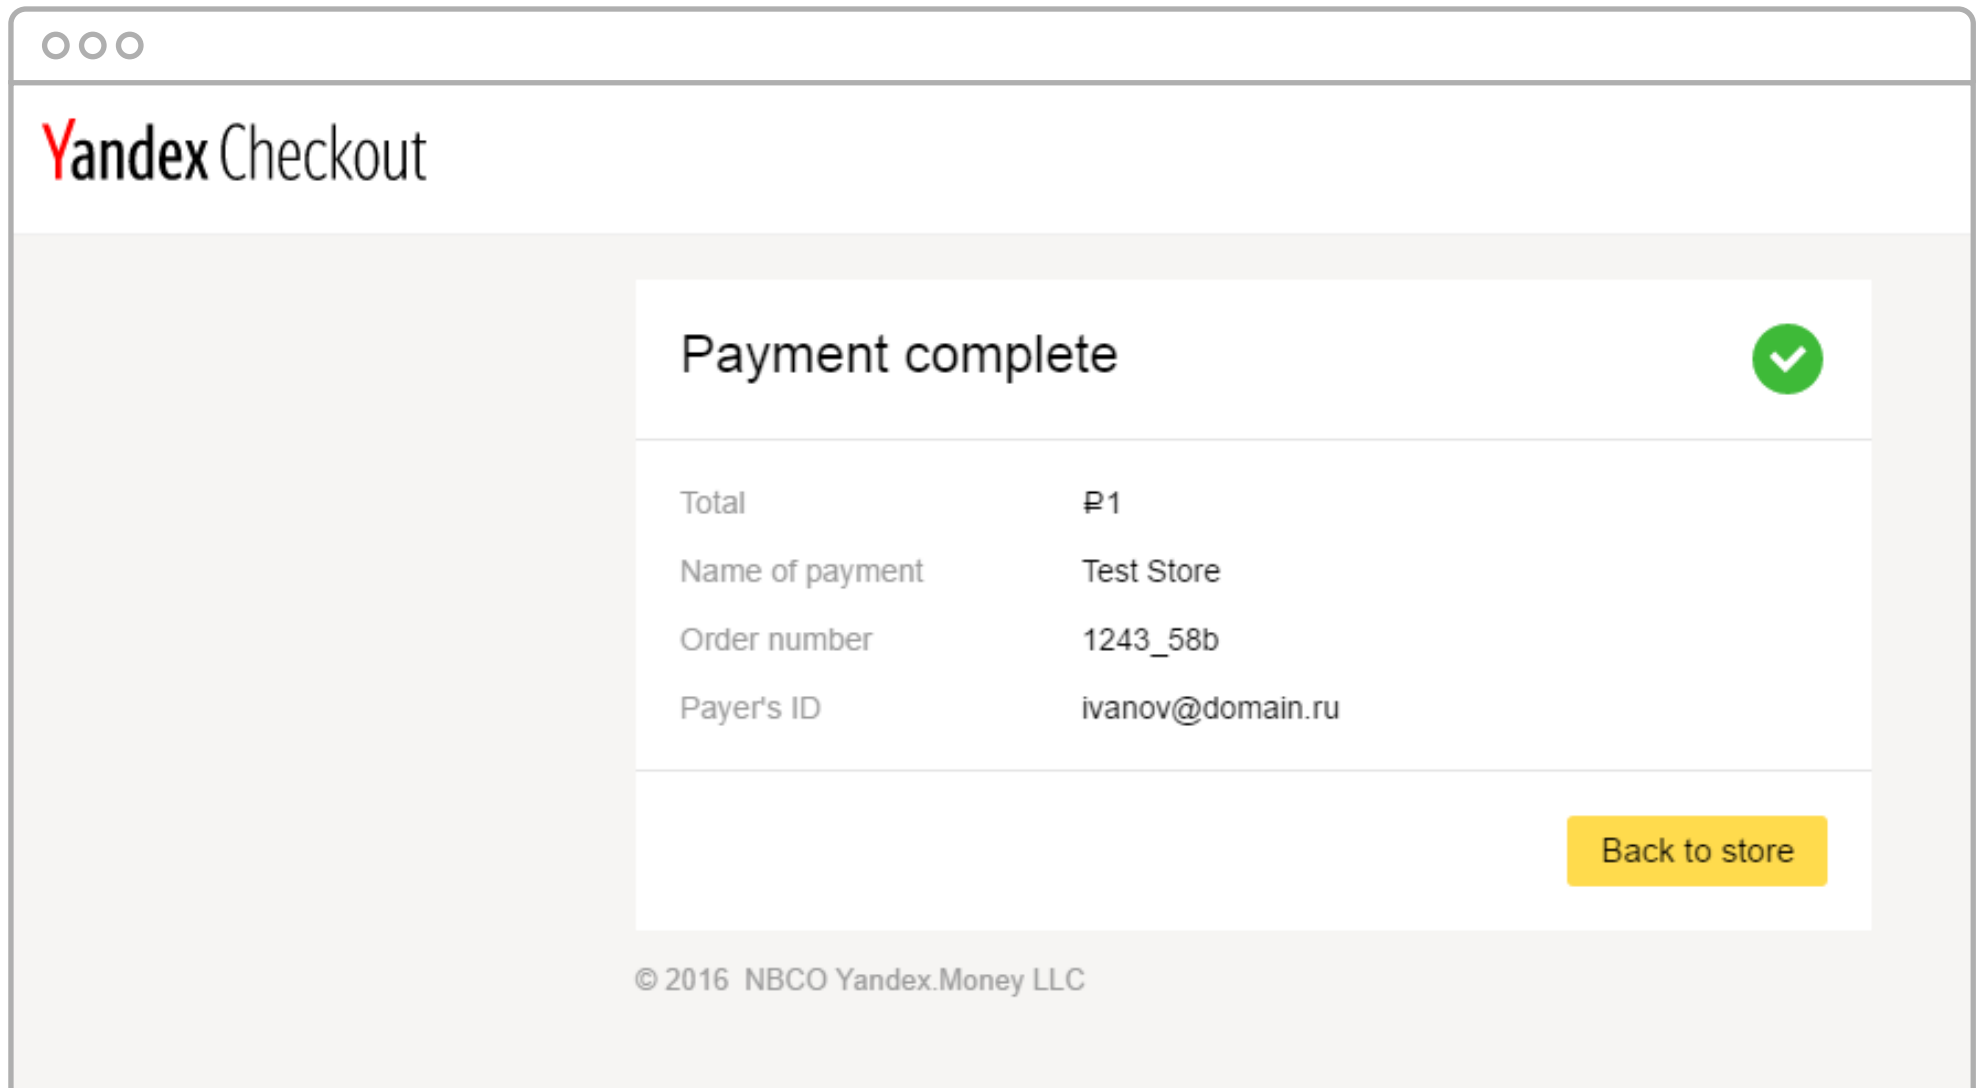

Transaction details listed in the modal:

- Магазин: YANDEXMONEY.CS-CART.RU
- Описание: 1243_58b_101116155229_106723_15203
- Сумма: RUB 1.00
- Дата: 11/10/2016
- Номер карты: **** * 2981
- Личное приветствие: None

There is a password input field labeled "Пароль:" with a masked password "*****". Below the field is a link: "Не получили одноразовый пароль по SMS?". At the bottom of the modal, there are buttons for "Выход" (Exit), "Отправить" (Send), and "Помощь" (Help).

In the background, the Yandex Checkout page is visible, showing a "Test Store" section with "Paying with a bank card" and a Sberbank card image with the number 1234 5678 9010. There is also a "Save the card for pay" checkbox and an "Email" field.

4. That's it! To return to the site you initiate payment on, click the button at the bottom of the page.

The screenshot shows a web browser window with the Yandex Checkout logo in the top left. The main content area features a white box with the heading "Payment complete" and a green checkmark icon. Below this, a table lists payment details: Total (₽1), Name of payment (Test Store), Order number (1243_58b), and Payer's ID (ivanov@domain.ru). A yellow "Back to store" button is located at the bottom right of the white box. The footer of the page contains the copyright notice "© 2016 NBCO Yandex.Money LLC".
