

Yandex Checkout

Paying for an Order by Cash

After placing an order, you will land on the page for paying by cash (via payment kiosks, ATMs, mobile retail outlets, bank's registers, or other Yandex partners' branches).

1. Select the country you are going to pay in under '**Where you will pay**' field.
2. You will see possible locations for paying by cash (right-hand block on the page).

3. Enter a phone number, to which we will send you a payment code. If you need to get messages with your payment code, instructions, and a payment receipt, specify your email address. Click '**Continue**'.

4. You will get a payment code in the text message at the phone number you specified.
Save the message: you will need this code for completing the payment through the payment kiosk, mobile retail outlet, or our partner's register.

5. You will see your payment code and instructions. You can copy the code and save or print out the instructions.
6. To complete the payment, find the nearest ATM, mobile retail outlet, or our partner's register and insert cash. Be sure to remember the payment code and amount to be paid.
